9:30-10:30 extra time available with

presenters

UC Cooperative Extension Farm Advisors

Lynn Wunderlich and Franz Niederholzer

*Just in time
for the mite
spray season!*

Topics to be covered:

- Tools of spray evaluation-
Disappointing spray job? Now what?!
 - Assessing coverage
- Disappearing droplets-where'd they go?
- Ground speed, fan, canopy interaction: dialing in air volume

*This workshop is supported by a Pest Management Alliance grant and is
FREE, but please RSVP so we know you are coming!*
