WINERY HANDBOOK &
BRANDING GUIDELINES

A GUIDE TO OUR SUSTAINABLE WINEGROWING COMMITMENT

CREATED BY CALIFORNIA FARMERS AND ACCREDITED BY
WORLD-RENOWNED SCIENTISTS, LODI RULES IS AMERICA'S
ORIGINAL SUSTAINABLE WINEGROWING PROGRAM.

“LODI RULES CERTIFIED GREEN SEALS
SIGNIFY A THIRD-PARTY AUDITED
COMMITMENT TO RIGOROUS,
SCIENTIFICALLY SOUND SUSTAINABLE
WINEGROWING: FARMING THAT IS
ENVIRONMENTALLY AND SOCIALLY
RESPONSIBLE WHILE ALSO BEING
ECONOMICALLY VIABLE.”

A growing number of wineries are recognizing the benefits of producing wines from LODI RULES certified grapes. Sourcing certified winegrapes and displaying a CERTIFIED GREEN seal on wine labels can help brands stay at the leading edge in today's competitive market. A wine label bearing a CERTIFIED GREEN seal communicates a winery's commitment to sustainability.

Hundreds of currently-released wine labels proudly carry a LODI RULES seal.

History & Contact Information

In 1992, the Lodi Winegrape Commission launched a grassroots farmer education program, aiming to reduce the amount of pesticides used by learning about the entire vineyard ecosystem. The growers wanted to farm more responsibly to ensure that farming could carry on for future generations. This grassroots program turned into the formally accredited LODI RULES sustainable certification program in 2005, after over a decade of input from farmers, viticulturists, and leading environmentalists.

“GROWING THE MESSAGE OF SUSTAINABILITY IN OUR WINES HAS ALWAYS BEEN AN IMPORTANT PART OF OUR BRANDING. OUR FAMILY HAS BEEN GROWING WINEGRAPES FOR SIX GENERATIONS & WE ARE COMMITTED TO SUSTAINABILITY SO THAT THE LEGACY CAN CONTINUE ON.”

Requirements for Using a LODI RULES Seal

A given wine is eligible to bear a LODI RULES seal, language, and claims if the following requirements are met:

- A minimum of 85% of the wine was made from **LODI RULES certified winegrapes**.
- The winery has submitted a signed **Certification Mark License Agreement** to the Lodi Winegrape Commission. (see pages 4-6)

A winery is eligible to use the LODI RULES seal on materials other than wine labels (e.g. marketing material, signage, website, packaging) only if: The winery has at least one wine bearing the LODI RULES seal (see above) available for purchase.

There is no fee for wineries to use the LODI RULES seal. Many wineries choose to pay a bonus for LODI RULES certified grapes, which helps encourage farmers to participate in the program and helps to offset some fees farmers pay to the third-party certification non-profit organization, Protected Harvest. Since 2010, more than \$13 million in bonus dollars have been paid to LODI RULES farmers, supporting progressive and sustainable vineyard practices.

Sourcing LODI RULES Certified Winegrapes

In 2022, nearly 70,000 acres became certified within Lodi, all across California, in Washington state, and in Israel.

Winegrape buyers can use the directory available online at lodirules.org to retrieve contact information for LODI RULES growers. Remember to also ask growers you currently purchase grapes from as they may already certify their vineyards.

Certification Mark License Agreement

All wineries producing wines bearing a LODI RULES seal must submit a signed copy of the Certification Mark License Agreement (pages 4-6) to the Lodi Winegrape Commission prior to using the seal on labels and other materials. This agreement protects the integrity of the LODI RULES seal by guarding against misuse of the seal and providing public assurance that wines bearing the seal have met the 85% composition requirement. By signing the Certification Mark License Agreement, the winery agrees to the following, much of which are described in greater detail in the agreement itself:

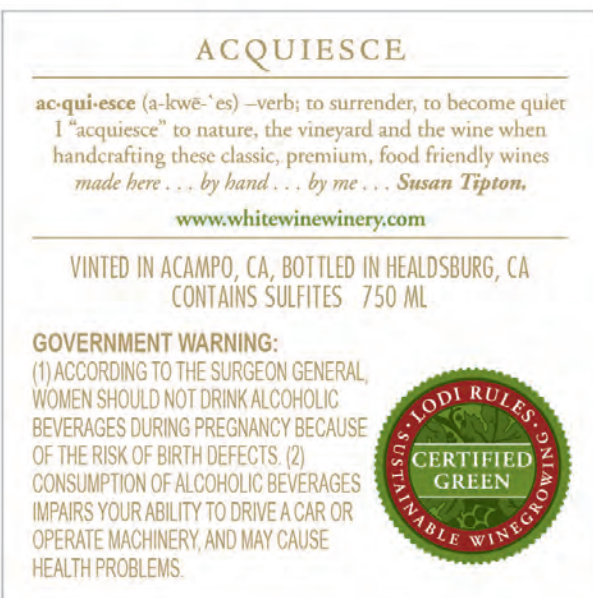

- The Lodi Winegrape Commission retains the right to conduct a third-party chain of custody audit at any time with advance notice.
- When using LODI RULES protected materials (name and seal), the winery must abide by the Lodi Winegrape Commission's LODI RULES branding guidelines.
- The winery acknowledges awareness that the LODI RULES seal is registered at the U.S. Patent and Trademark Office (U.S. Certification Mark Registration No. 3-736-972) and is therefore property of the Lodi Winegrape Commission. Improper use of the protected material is unlawful.

Once signed, the winery need not re-apply. The completed Certification Mark License Agreement is in effect until and unless one of the parties terminates it.

Submit your signed copy to Dr. Stephanie Bolton:

- email: stephanie@lodiwine.com
- fax: 209.367.0737
- in person/mail: 2545 West Turner Road, Lodi, CA 95242

You will then receive a high resolution file containing the LODI RULES seal by email.

WHEREAS, LWC desires to grant a non-exclusive revocable license to Winery during the term of this Agreement for the right to use said Mark.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and for other good and valuable consideration, the parties hereto agree as follows:

3. TERMS OF CERTIFICATION.

a. Upon the terms and conditions of this Agreement, LWC hereby grants Winery the non-exclusive, revocable right to hold the Products out as being produced using grapes where at least eighty-five percent (85%) of the grapes come from a vineyard or vineyards certified in the Program, and to use the Mark during the Term of this Agreement, solely on and in connection with the Products.

b. LWC reserves the right to conduct a chain of custody audit at any reasonable time during the term of this Agreement to confirm wine claimed as Products was produced using grapes from vineyard or vineyards certified in the Program.

4. CONSIDERATION.

Use of Mark by Winery is subject to the following conditions:

a. Winery shall use the Mark only in relation to Products, and not in relation to any of Winery's products that are not in compliance with the terms outlined above or as being made from winegrapes certified in the Program.

b. Winery shall use the Mark in the exact form provided to Winery by LWC, without modification or deviation of any kind, except as is outlined in the LODI RULES Branding Guidelines (attached hereto as **Exhibit B**) and except that Winery may re-size the Mark, so long as the overall dimensions remain consistent and legible.

c. Use of the Mark does not constitute and may not be used to imply the endorsement of Products by LWC, or any other Product of Winery, and Mark may not be used as an indication of a particular standard of quality.

d. Winery will not harm, misuse or bring into disrepute the Mark, its reputation, or that of LWC.

e. Winery will comply with all laws and regulations relating or pertaining to the manufacture, sale, advertising or use of the Products, shall maintain high quality and standards for the Products commensurate with Winery's market, and shall comply with any regulatory agencies which shall have jurisdiction over the Products.

f. Winery will never disclose any confidential and non-public information about LWC it acquires from any source during the Term of this Agreement.

5. OWNERSHIP OF MARK; RESERVATION OF RIGHTS. All right title and interest in and to the Mark shall belong solely to LWC. All certification mark rights arising from use of the Mark by Winery shall inure to the benefit of LWC. LWC retains all rights not expressly conveyed to Winery hereunder, and LWC may use and/or grant to others the right to use the Mark in connection with other products.

6. QUALITY OF CERTIFIED PRODUCTS.

Winery shall ensure that the Products shall be of high standard and quality, and shall be adequate and suitable for their intended uses. LWC may request an audit/inspection of the Products on which the Mark is used at any reasonable time during the term of this Agreement to ensure that Products are of high quality.

7. PROTECTION OF RIGHTS.

a. Winery agrees that it will not apply for or seek to obtain trademark, copyright or any other proprietary right in the Mark. If Winery applies to register its copyrights in any packaging, labeling, advertising or promotional material that contains the Mark, then Winery shall exclude the Mark from its copyright claim. LWC makes no warranty with respect to the Mark.

b. Winery agrees that if Winery receives knowledge of any unauthorized use of the Mark by a third party, Winery will immediately call such fact to the attention of LWC. LWC shall then have the exclusive right in its sole discretion to pursue an action against any such unauthorized use, and Winery shall cooperate and assist in any such action. If requested by LWC, Winery shall join in or cooperate in any such action as may be instituted by LWC; all at LWC's expense, including reasonable attorneys' fees. The proceeds recovered in any such action in the form of damages, profits, or other recovery shall belong solely to LWC. Winery shall not commence any action of its own to restrain or recover damages for any alleged infringements of the Mark without first obtaining express written permission to do so from LWC.

c. Winery will not attack the title or right of LWC in and to the Mark, nor will it attack the validity of the rights granted hereunder during the Term hereof or thereafter.

8. INDEMNIFICATION.

a. Winery hereby agrees to defend, indemnify and hold LWC and its officers, directors, agents, employees, and representatives harmless from any loss, liability, damage, cost or expense (including reasonable attorneys' fees), arising out of the production, distribution, advertising, promotion, offering for sale, and sale of the Product(s), including without limitation any claims or suits against any of them by reason of or alleging any unauthorized or infringing use by Winery of any patent, process, method, trade secret, copyright, trademark, or publicity right or other similar property (other than the Mark covered by this Agreement) or any alleged defects or inherent dangers in said Products or the use thereof.

b. LWC shall give Winery prompt notice of any claim asserted against LWC on the basis of which LWC intends to seek defense and/or indemnification from Winery as herein provided (but the obligations of the Winery under this Paragraph shall not be conditioned upon the receipt of such notice).

9. TERM.

The term of this Agreement shall commence on the day and in the year first set forth above, and shall continue until terminated by one of the parties as described below.

10. TERMINATION.

Either LWC or Winery shall have the right to terminate this Agreement at any time by providing the other party with at least thirty (30) days prior written notice of such termination. Upon receipt of notice of termination by Winery from LWC, Winery shall immediately take all steps necessary to discontinue the production of items or materials which have the Mark printed thereon.

If termination is by LWC without cause, Winery may continue to utilize the remaining items/materials which it has purchased with the Mark thereon, in which case this Agreement will not terminate until the date of Winery's last use of the Mark or within 60 days of receipt of notice of termination, whichever is earlier. If Winery elects not to use remaining items/materials which have the Mark printed thereon, then this Agreement shall terminate thirty (30) days from the date of Winery's receipt of LWC's notice of termination.

If termination by LWC is *with* cause, LWC may require that Winery discontinue use of the Mark immediately, in LWC's sole discretion.

If Winery terminates the Agreement, with or without cause, the Agreement shall terminate thirty (30) days from LWC's receipt of notice of termination regardless of whether or not Winery still has items/materials with the Mark printed thereon, and Winery shall have no right to continue using the remaining items/materials past the end of the 30-day notice period.

11. NOTICES.

All notices which either party hereto is required or may desire to give to the other shall be given by addressing the same to the other at the address provided below, or at such other address as may be designated in writing by any such party in a notice to the other given in the manner described in this Paragraph. All such notices shall be deemed given on the date such notice is deposited, postage prepaid, in the United States mail or with an express mail carrier, or on the date such notice is confirmed as sent via email or fax.

12. NO PARTNERSHIP OR JOINT VENTURE.

This Agreement does not constitute and shall not be construed as constituting a partnership, joint venture, employment relationship, or agency between Winery and LWC. Neither party shall have any right to obligate or bind the other party in any manner whatsoever, and nothing herein contained shall give, or is intended to give, any rights of any kind to any third persons.

13. NO ASSIGNMENT.

The rights granted to Winery pursuant to this Agreement are personal to Winery and Winery shall not assign, transfer or sub-license any or all of the rights granted herein to any third party without the written consent of LWC. Winery shall not pledge or encumber this Agreement as security or collateral for any obligation of Winery.

14. ENTIRE AGREEMENT; WAIVER, MODIFICATION.

This Agreement represents the entire agreement and understanding of the parties hereto with respect to the subject matter hereof and supersedes all previous representations, understandings or agreements between the parties hereto. No waiver, modification or cancellation of any term or condition of this Agreement shall be effective unless executed in writing by the party charged therewith. No written waiver shall excuse the performance of any act other than those specifically referred to therein.

15. DISPUTE RESOLUTION.

a. Any dispute or disagreement between the parties hereto seeking to enjoin or restrain Winery's sale or distribution of the Products, or of any other products, services, or merchandising bearing Mark or any copy or simulation thereof, or other use of the Mark, may be determined in any forum of LWC's choosing, and Winery hereby consents to venue and personal jurisdiction in the appropriate state court in San Joaquin County, State of California, and the United States District Court for the Central District of California. In any such action, the forum may retain jurisdiction to award damages, profits, attorneys' fees and costs, or any other award as allowed by law in such matters.

b. Any other dispute or disagreement between the parties hereto arising out of or relating to this Agreement shall be settled by binding arbitration in San Joaquin County, California, under the rules of the American Arbitration Association, and judgment upon the award may be entered in any court having jurisdiction. Arbitration shall not preempt the seeking of relief provided by subparagraph a., and if such relief is sought, any court in which such action is commenced, not any arbitration panel, shall determine whether any particular matter is justiciable by the court or only arbitrable. Each party shall bear its own attorneys' fees and costs in any arbitration.

c. This Agreement shall be construed in accordance with the laws of the State of California, without giving effect to the conflict of laws principles thereof.

16. SEVERABILITY.

If any provision of this Agreement is invalid, illegal or unenforceable, the balance of this Agreement shall remain in full force and effect, and if any provision is inapplicable to any person or circumstances, it shall nevertheless remain applicable to all other persons and circumstances.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers, as of the date first written above.

TTB Tips

The U.S. Alcohol and Tobacco Tax and Trade Bureau (TTB) regulates all claims made on wine labels, including certifications like LODI RULES. Wineries are required by the TTB to keep chain of custody records. Every harvest upon purchasing certified grapes, wineries must acquire a copy of the LODI RULES certificate directly from the grower.

LODI RULES certificates are issued to growers by Protected Harvest by November of each certification year. When submitting wine label applications to TTB's Certificates of Label Approval system (COLAs), it is recommended to attach a copy of the LODI RULES certificate in the "other documents" section of the application.

Additional information on TTB regulations for wine can be found at: ttb.gov/wine/.

Annual Bottling Report

As stipulated by the Certification Mark License Agreement, wineries must complete an annual bottling report of all wines bearing the LODI RULES seal if requested.

The information collected in the report is used by the Lodi Winegrape Commission to track the quantity, variety, and other pertinent data of wines bearing the LODI RULES seal to help promote the program to the industry and consumers.

The Lodi Winegrape Commission will distribute the bottling report with instructions to wineries each year it is requested.

Approved Language

When referring to the LODI RULES certification program, the following language is approved:

- The LODI RULES for Sustainable Winegrowing program
- LODI RULES for Sustainable Winegrowing
- LODI RULES

Please note the program is referred to singularly as “LODI RULES”, not “The LODI RULES”. When referring to wines bearing the LODI RULES seal, the following language is approved:

- Wines made from LODI RULES certified grapes
- Wines made from grapes certified in the LODI RULES program
- Wines made from sustainably certified grapes
- Wines made from certified green grapes

Other language is allowed as long as it is accurate. Contact the Lodi Winegrape Commission with questions about the accuracy of other language not specified here. Note that the LODI RULES program certifies vineyards based on the adoption of vineyard management practices. At this time, the LODI RULES program does not certify wineries or any aspect of the winemaking process. Therefore, all language used on labels and on other materials must reflect this.

Approved Claims

Claims about wines made from LODI RULES certified grapes and about the LODI RULES program may be made on wine labels and other promotional materials. Note that any claims comparing LODI RULES to other certification programs or to wines not made from certified grapes are not approved. When in doubt about the appropriateness of a claim, contact the Lodi Winegrape Commission. Examples of common approved claims are:

- LODI RULES is California’s original sustainable winegrowing certification program.
- LODI RULES is accredited, certified, and audited by a true independent third party – Protected Harvest.
- LODI RULES is a comprehensive certification program that addresses the complete scope of farm management practices.
- The LODI RULES seal represents growers’ commitment to sustainable farming.
- When you drink a glass of wine made from LODI RULES certified grapes, you are supporting a farmer, a vintner, and an entire agricultural community that embrace their responsibility to care for the environment and the people.

Other claims are allowed if they are accurate. Visit loderules.org, our consumer facing website, for ideas on how to talk about the program to consumers!
